

Dear Community Donor,

The Hornet Lacrosse Booster Club was established in 2014 to support the creation of a combined White River (WRHS) and Enumclaw High School (EHS) lacrosse program in the local area. It is a volunteer non-profit group supporting the WRHS and EHS teams. This is our 5<sup>th</sup> year as a high school club sport. We have placed in the South Puget Sound League and made it to the Washington State playoff quarterfinals in past seasons. This sport is growing every year.

As a club sport, we are supported primarily by our Booster Club, which provides uniforms, equipment, nets, balls, referee costs, athletic trainer costs, coach's stipends and bus transportation. We also provide scholarships and financial assistance to players who may not otherwise be able to play.

Our primary fundraiser is a dinner with live and silent auctions. This year's event is on April 19<sup>th</sup>, 2019, at the Enumclaw Expo Center Fieldhouse. We are hoping to raise funds to further support for our growing program, which benefits these young men and women from our surrounding communities.

We are thankful for any donation, including items, services or gift certificates. We will be advertising our donation sponsors in our auction brochure, as well as upcoming newsletters and social media promotions. We strive to support our area businesses as well.

All donations will be used in our raffle, silent or live auctions, and 100% of the proceeds from this fundraiser go towards our lacrosse teams. We are extremely grateful for any support and realize you may get many donation requests.
